From HQ

Debby says

Well conference is over for another year, and although very brisk the weather performed with beautiful sunny days with the hospitality to match. Thank you, Dunedin branch organising committee, for a well organised conference.

Some important notes from the AGM include:

- Annual subscriptions will not change. i.e. 2019 subs will be the same as 2018, with the rebate applicable if paid by 30 November 2018.
- A membership drive will be undertaken at the end of January 2019 for all non-members of NZART and any whose membership has lapsed for a period of 2 or more years. i.e. prior to 2016.
- Geoff Chapman ZL3PX has been appointed as the AREC National Director for the next 12 months. Geoff has been acting in this role since Jeff Sayer retired in December 2017.

- Call Book will be produced again in December this year; however, the font size will be reduced to allow for more repeater maps to be included.
- The ELG together with Warren ZL2AG and Steve ZL2KG have volunteered to work on the 70cm band plan to add extra digital mode simplex frequencies.
- The NZART public liability insurance, having sought legal opinion, is confirmed as including all NZART members being covered under the policy, for branch activities including hill top repeater work and meetings in halls owned by others, specifically the recently released Auckland City Council. However, we do need to list branches who hold charitable status in their own right.
- Remits 1, 2 and 3 were lost on voices, with remits 4 and 5 carried on voices.
- Life membership of the Association was accorded to Celia Reed ZL1ALK – this was received with acclamation from the AGM.
- The 2019 annual conference will be held in New Plymouth at the Plymouth International Hotel.

Talk soon...Debby ZL2DL
